About this Scholarship: Lenny Schultz was a beloved teacher, coach and longtime member of the James Madison High School community who was a great and caring person with a huge heart and touched the lives of many. Lenny was a 1983 graduate of JMHS, a member of Madison’s Athletic Hall of Fame for being a two-way starter as fullback and linebacker as well as a wrestling standout. He went on to play college football at N.C. State before returning to Madison as an assistant coach and then onto his “dream job” as the head football coach in 2011. His dedication to the students was unsurpassable, he was thoroughly devoted to the JMHS community in every way. Lenny was known to strike up conversations with those around him and was always helping to prepare his students and players for life, family and opportunities down the road. Lenny Schultz will forever be a true Warhawk!
