

Summer Acceleration | 2018 Academy

Course Offerings

Geometry Honors will be offered to students who meet the following criteria: A/B in Algebra 1 HN, Pass Advance on Algebra 1 SOL, and teacher nominated. This course is specifically being offered to give students the opportunity to enroll in accelerated math and science courses during their junior and senior years. This course will be taught using a variety of instruction such as direct instruction, inquiry-based instruction, problem-based instruction, etc. Throughout the day, there will be a combination of online modules, small group work, and individual work sessions.
