

Parent/Guardian Information Form Class of 2025

James Madison High School

Take some time to share your insights about your student that will aid their counselor in writing a letter of recommendation. We have found that parents/guardians know their child best and often provide excellent information that we can use to write a much richer recommendation letter. **Please be aware that by completing this form, you are giving the counselor permission to share any of this information with the colleges.**

If your student needs a school counselor letter of recommendation, complete this form and email to your child's school counselor by September 3, 2024.
